City Council Work Session

Upper Level Conference Room
at 5:30 p.m.

Monday, February 22, 2016

1. **Council Chamber Review of Architectural Proposals**
   We are required under the building code to have an architect complete a plan for the improvements planned for the council chambers. Staff would like to discuss these with the Council prior to moving this project forward.

2. **Maintenance Worker Position**
   The Council requested to have further discussion on the maintenance worker vacancy that will exist as a result of Rick Savage announcing his retirement.

3. **Other Business**
