WHERE MINNESOTA CONNECTS

City Council Work Session

Upper Level Conference Room
at 5:00 p.m.

June 27th, 2016

1. **Street Improvement Discussion:**
Staff has had some discussion with residents along West Avenue and 2nd Street North. They have had some interest in having their streets improved and are considering moving forward with a petition. Staff would like to discuss with the council the terms and the timing they would consider if a petition was to move forward. This would include costs, designs (sidewalks and street widths), and timing. Staff would like to have this information available to residents that will be considering their options moving forward.

2. **Park and Amphitheater Project:**
Staff would like to discuss with the council about the next steps in the process and the timeline.

3. **Business Subsidy Policy:** Staff would like to continue the discussion with the Council regarding our business subsidy policy and whether or not there is any interest in updating the policy at this time. Staff has had some interest from the business community on a variety of projects. The business subsidy policy has not been updated since the early 2000's.

4. **Babe Ruth Kickball Event:**
Babe Ruth has an interest in holding an adult kickball tournament at River's Edge Park. As part of this tournament, they are asking whether or not they could serve alcohol at this event. Under the park ordinance, it requires Council consideration. Staff would like to discuss with the Council about this request and determine whether this is something that the Council would be willing to consider at a future council meeting.
