

COUNCIL WORK SESSION
4:30 P.M.
Upper Level Conference Room

4:30-5:30 pm: Review of Land Use Study conducted by SCSU

Rich MacDonald will be present to discuss the draft of the Land Use Study that they completed over the last year and a half on our behalf. You will have an opportunity to ask questions and hear their recommendations. This will then go to the Council at a future Council meeting to be accepted and filed.

5:30-6:00 pm: Julie Lunning with St. Cloud Area CVB

With the addition of two new hotels, we have been evaluating our hotel/motel lodging tax and how the funds are dispersed. A large portion of this funding goes to the St. Cloud Area CVB. Julie Lunning will be present to discuss how these funds are used and the potential for considering changes to this funding with the addition of the new hotels.

6:00-6:15 pm: Amphitheater Update

Staff would like to discuss with the Council about the possibility of creating a committee to provide more input into the process as we move forward with the amphitheater. The committee could provide us assistance in gaining additional public input in the process and give some additional insight on the project. In addition, we would also like to discuss some of the upcoming steps in the process with our bonding request and possible New West Production site visit. New West Productions manages the Providence Amphitheater in Bonner Springs, as well as the amphitheater in Lincoln, Nebraska and Mankato, Minnesota.

6:15-6:30 pm: Other Business
