CITY COUNCIL WORK SESSION AGENDA

Upper Conference Room at Waite Park City Hall

Monday, March 9, 2020

5:30 PM

1. 5:30 P.M. **Maintenance Worker Interviews**

The City of Waite Park has an opening in Public Works Department for a Maintenance Worker position. There is an existing eligibility list that will expire March 31, 2020. Staff has reached out to candidates on this list and will be bringing forward the candidates on the list that are still interested in the position for the City Council consideration. The City Council can choose to make an appointment at the council meeting if they choose. Applications will be available for Council review ahead of the meeting.

2. 6:15 P.M. **Public Input**

The City Council provides members of the public an opportunity to address the City Council with items they believe are relevant to the City of Waite Park. Each member of the public will be allowed up to 2 minutes to speak. City Council will not engage during this time and no action should be expected at this time. The City Council can determine if further follow up, discussion, or action is needed on any item brought up by members of the public. During the regular scheduled meeting that will follow the public input, the Mayor will summarize the items discussed during the public input and ask the City Council whether they desire to have any follow up on items discussed during the public input. The City Council could choose to place the item on a future work session or city council agenda, or they could direct staff to research or follow up on any item discussed.
