Waite Park, MN 56387**

## **CITY COUNCIL WORK SESSION AGENDA**

Upper Conference Room at Waite Park City Hall

Monday, April 1st, 2019

5:00 PM

### **7th Street South Crosswalk**

Staff would like to provide the City Council with an update on the 7th Street Crosswalk in front of Discovery. Attached is a drawing that shows where Excel Energy will be placing streets lights that should make this intersection more visible. This work should be completed by Excel in the next month. City Council will need to decide if they would like to move forward with any further measures at this time or wait and see if the additional street lighting will alleviate the problem.

### **2019 Goals And Objectives**

Staff would like to review the goals and objectives set forth for 2019 to determine what of these items are still priorities and to also see what is realistic. With the upcoming retirements and other staff out for medical purposes, staffing has become a bigger issue than anticipated. Staff would like to discuss the plan moving forward and how this will impact priorities for 2019. Attached for your review is a copy of the 2019 Goals and Objectives that were adopted in December of 2018 by the City Council.
