

**COUNCIL WORK SESSION**  
**April 3, 2017**  
**5:00 P.M.**  
**Upper Level Conference Room**

- 5:00-6:00 pm: KLM Water Tower Follow Up and Discussion on Water Towers**  
KLM would like an opportunity to follow up with the Council on their proposal on the water towers they have provided to the City. Staff would also like to discuss with the Council their thoughts on the next steps in the discussion.
- 6:00-6:15 pm: Water Supply Plan**  
Public Works is required by law to submit a water supply plan by October of 2017. Staff would like to discuss with Council what this plan entails and discuss the two quotes from engineers to complete this work.
- 6:15-6:25 pm: Public Works Facility Update**  
Staff would like to provide an update to the Council on the public works facility and its progress.
- 6:25 pm: Other Business**
