

City Council Work Session Agenda

Tuesday, May 2, 2017

4:00 PM

4:00-5:30 PM

1. **Update on Amphitheater Project:** Oertel Architects has updated information on the amphitheater as it relates to cost and design that they would like to discuss with the Council. In addition, SEH has put together some of the costs associated with site preparation and excavation costs related to designing the site. Both Jeff and Terry will be present and can discuss these portions of the project. We also have had the opportunity to discuss the updated information with New West and will provide a recommendation on the next steps in the process for moving forward.

5:30-5:45 PM

2. **Great River Regional Library Agreement and Study:** We would like to discuss the Library Branch Services Agreement with the Council and whether the Council is interested in GRRL in conducting the study they discuss at a previous work session. GRRL is looking to have branch agreements approved by June 30, 2017.

5:45-6:15 PM

3. **Public Works Misc:** Staff would like to provide an update on the public works facility, city council chambers, and discuss city flags. As we look to put another flag pole at public works, we would like to discuss whether the council is interested in having a city flag or not.

6:15-6:30 PM

4. **Body Worn Camera System:** Staff would like to discuss with the council the process we need to follow in order for us to consider the implementation of body worn cameras.
