

**COUNCIL WORK SESSION  
JUNE 5, 2017  
4:30 P.M.  
Upper Level Conference Room**

**4:30-4:45 pm: Public Works Staffing**

With the retirement of Gary Curtis, staff would like to move forward with replacing Gary's position. Staff would like to discuss this plan with the Council on their recommendations for moving forward.

**4:45-5:00 pm: City Flag**

Staff has received a quote and a design option for a city flag that they would like to share with the council and get input on moving forward.

**5:00-5:30 pm: Street Maintenance Projects**

There are several roads where the conditions of the pavements after the winter months have deteriorated. Staff would like to discuss with the Council plans on how to address some of these roadways.

**5:30-6:00 pm: Water Tower**

Staff was asked to provide council with some background information on the two water tower proposals. A memo discussing the differences between the two proposals will be sent to the Council on Friday as staff is working on finishing this analysis this week along with potential financing option to carry the debt for the water tower until 2018 by SEH. The council will need to determine which proposal they would like to move forward with and provide staff with some direction on how they would like to proceed.

**6:00-6:20 pm: AMP Project Update**

Staff has been working with Oertel, SEH, and New West on the AMP design and layout based on our last discussion with the Council. We would like to share with Council the latest layout changes and provide an update on the project.

**6:20 pm: Other Business**
