City Council Work Session Agenda

Review of 2019 Preliminary Budget: Staff will present the 2019 budget and will discuss the department's priorities and the overall plans for 2019.

AMP Project: Staff would like to discuss the AMP project and discuss the possibility of utilizing a construction consultant to assist with the project. This person would be a contractor that builds these types of project. They can provide us some insight on the construction schedule, provide value engineering on the project, and recommend any alternatives to construction design that would reduce project costs while maintaining a high level of design.
