SENIOR CENTER INFORMATION

MAHJONG –NEW CLASS STARTS JAN 8TH!

MahJong is a game of skill, strategy and calculation. It is an involved game that takes several times of playing to understand. A few months ago we had a group who wanted to learn how to play. An experienced player taught them and the group is now playing weekly! These players have gained experience and are enjoying playing, with limited assistance.

*January 8th will be the first day of the new class.
Grab a friend or two and learn a new game.*

Speaker: Healthy Eating Basics

Wed Jan 17th 9:00 am
