

June 6th - 9th

Geocaching **event**

**FUN FOR THE
ENTIRE FAMILY**

*This is what you will be
Looking for!*

During this week there will be 12 small geocaches hidden within the Waite Park city limits. Stop by the Waite Park city hall anytime this week to pick up your finders card that lists all the coordinates for these caches. It may take you a week, it may take you a day to find them all. Bring your completed card to the park on Friday evening to collect a fun prize and be entered into the grand prize drawing given out on Saturday night.

GEOCACHING

Please remember to put all geocaches back **EXACTLY** as you found them, be respectful of property and vegetation.
