RE: New Business Information

Welcome to Waite Park!

The following information is being provided to help you understand the way your business and the Waite Park Police Department can work together to help reduce crime at your business. On the website listed below you will find forms and information pamphlets to help you understand programs and services we have available for your business.

To locate the information visit our city website at www.ci.waitepark.mn.us then select city departments, police department, business crime prevention.

I encourage you to also check out our website to keep up on current scams we are experiencing in the area. You can also stay informed on the crimes happening in the area by signing up for email alerts from Crime Stoppers. You may sign up by going to the Crime Stoppers website at www.tricountycrimestoppers.org.

Another great resource is the Minnesota Crime Alert Network. This alert network is used by law enforcement across the state to notify business owners of crimes happening that affect your business. Please register online at <https://dps.mn.gov/divisions/bca/bca-divisions/administrative/Pages/mn-crime-alert-network.aspx>. The Waite Park Police Department encourages every business to become a member of the Crime alert Network.

Every year in December you will receive a letter from the Police Department requesting you to verify your key holder list. We keep a current key holder list at the Police Department to help us contact someone in the case we need to enter your business after hours. We use this list frequently and ask that you contact us if any information on the form changes. You may print a business directory information form at any time from our website. The new information may be mailed, faxed or emailed to us at any time.

If you have any questions regarding the information in this letter please contact Alicia Mages at 320-251-7393 or alicia.mages@ci.waiteparkpd.mn.us.
