

Medication Drop Box

Drop off unused medications and keep our water drug-free. There could be some in your medicine cabinet right now—unused prescription drugs you’ve just forgotten about. Proper disposal keeps them from being misused or contaminating our fragile rivers and lakes, and now it’s easier than ever! No waiting in line, no forms to fill out—it’s self-serve, fast and easy.

Stearns and Benton Counties now have medication disposal boxes in the following law enforcement agencies: Albany, Avon, Cold Spring, Kimball, Melrose, Paynesville, Sartell, Sauk Centre, St. Joseph, **Waite Park**, Rice, Sauk Rapids, Benton County and Stearns County Sheriff’s Offices. Belgrade will receive one soon.

These boxes are available for residents to safely dispose of their unused/unwanted medications. This proper disposal process incinerates the medications rather than having them flushed or dumped in landfills, which both end up contaminating the ground water supply. Disposing of medications also keeps them out of the hands of people who may abuse these drugs.
