

## **Medication Drop Box**

The Waite Park Police Department has a drop box available for unwanted medications. There is no need to remove the pills from the bottle or remove the labels.

Medication drop boxes are available for residents to safely dispose of their unused/unwanted medications.

This proper disposal process incinerates the medications rather than having them flushed or dumped in landfills, which both end up contaminating the ground water supply. Disposing of medications also keeps them out of the hands of people who may abuse these drugs.

The following law enforcement agencies have medication drop boxes: Albany, Avon, Belgrade, Cold Spring, Kimball, Melrose, Paynesville, Sartell, Sauk Centre, St. Joseph, Waite Park, Rice, Sauk Rapids, Benton County and Stearns County Sheriff's Offices.

Needles and Syringes are NOT ACCEPTED!

## **Safe Disposal Options for Needles and Syringes**

Disposing of needles in your garbage can cause needle sticks resulting in injuries or disease transmission. You should always safely store and dispose of needles and syringes.

Disposal Options:

- ◆ Purchase a sharps container with a mail back program.

## **Needle/Syringe Disposal Options continued:**

- ◆ Destroy the needles at home by using a needle cutter or purchasing a device that incinerates needles.
- ◆ Place used sharps into a laundry detergent bottle with a cover and clearly label the container: "Sharps." Dispose of the container when it is half full. Place the container on top of your garbage cart.

## Gaga Ball Anyone?

There is a new game in town - Gaga Ball!

If you've been at Jagiello Park recently, you may have noticed a 20 ft pit surrounded by 3 ft high wood panels. It is the Gaga Ball Pit that was constructed this summer by James Fulgham, who was working towards becoming an official Eagle Scout. You may have never seen or heard about the game before, but because of James' effort to promote the sport, kids now have a place to play this fun game! Thank you James!! You will need to provide your own ball.

If you are interested in playing Gaga Ball, but are not familiar with the rules, you can find them here:
