**City Council Mobile Tour**  
**Tuesday, March 7, 2023**  
**7:30 AM-5:30 PM**

The City Council will be joining staff on touring the below public safety facilities to gain a better understanding of what other cities have done to address their public safety needs. The city will be looking at constructing a new public safety facility and the tours will assist staff and council in these efforts. Below is a copy of the schedule and the approximate timeframe city officials will be at each location. Members of the public are welcome to join the city at any of these locations but will be required to provide their own transportation and their own lunch. City staff and officials will be traveling in city-owned vehicles.
