Staff Report: **Establish Minimum Fund Balance for Parkland Fund**

Staff is seeking Council approval to establish a minimum fund balance of \$100,000 for the Parkland Fund. The current balance of the fund is approximately \$132,000.

Establishing a minimum fund balance will ensure adequate reserves are maintained for future park development, capital improvements, and unforeseen expenditures related to park infrastructure.

This recommendation has been reviewed and is supported by the Park Board, Finance Department, and Public Works Department.

Staff recommend approval of establishing a \$100,000 minimum fund balance for the Parkland Fund account.

Staff Report:

Each year we paint centerline stripes on streets and paint crosswalks, turn arrows and stop bars. Sir Lines-A-Lot gave us a quote of \$27500. Warning Lights has been purchased by Sir Lines-A-Lot and there are not any other companies in the area to obtain quotes from for this work.

Asking the Council to approve Sir Lines-A-Lot to do City Street painting for 2026 for a total cost of \$27,500. This is included in our budget for yearly maintenance.

Staff Report:

Attached for Council approval is a temporary Minnesota Lawful Gambling Application for Exempt Permit for the Society of Pius X St. Cloud. Society of Pius X St Cloud or St. Robert Bellarmine will be holding a Raffle at 108 6th Ave N, Waite Park, MN 56387. This event is scheduled to take place on September 26, 2026. For additional information, please see City Administrative Staff.

Staff Report:

At the recent APO Transportation Advisory committee meeting Waite Park was recommended for significant funding for our work on 10th Avenue associated with the proposed improvements. One of the conditions of MnDOT's letter of support was to provide a traffic model showing the intersection of 10th Avenue with 1st Street South and update the MnDOT report on 10th Avenue and Highway 23. The model will require 24 hour traffic counts at both legs of the intersection of 10th Avenue first street south. Fortunately, we are able to utilize MnDOT's traffic counts on 23 so that effort does not need to be duplicated

The results of the traffic count will then be used to evaluate the best intersection control at 1st Street and lane configuration on southbound 10th Avenue. An Intersection Control Evaluation (ICE) report will be completed for the locations requested by MnDOT. This report is also required for improvements to a State Aid corridor, so it will serve both purposes.

An agreement for the required traffic modeling and reporting is included. Requested action is to approve the traffic study.

Supplemental Letter Agreement

In accordance with the Master Agreement for Professional Services between City of Waite Park ("Client"), and Short Elliott Hendrickson Inc. ("Consultant"), effective December 18, 2017, this Supplemental Letter Agreement dated February 17, 2026 authorizes and describes the scope, schedule, and payment conditions for Consultant's work on the Project described as: **2026 10th Avenue Traffic Modeling**.

Exhibit A-2

Payments to Consultant for Services and Expenses Using the Lump Sum Basis Option

The Agreement for Professional Services is amended and supplemented to include the following agreement of the parties:

A. Lump Sum Basis Option

The Client and Consultant select the Lump Sum Basis for Payment for services provided by Consultant. During the course of providing its services, Consultant shall be paid monthly based on Consultant's estimate of the percentage of the work completed. Necessary expenses and equipment are provided as a part of Consultant's services and are included in the initial Lump Sum amount for the agreed upon Scope of Work. Total payments to Consultant for work covered by the Lump Sum Agreement shall not exceed the Lump Sum amount without written authorization from the Client.

The Lump Sum amount includes compensation for Consultant's services and the services of Consultant's Consultants, if any for the agreed upon Scope of Work. Appropriate amounts have been incorporated in the initial Lump Sum to account for labor, overhead, profit, expenses and equipment charges. The Client agrees to pay for other additional services, equipment, and expenses that may become necessary by amendment to complete Consultant's services at their normal charge out rates as published by Consultant or as available commercially.

B. Expenses Not Included in the Lump Sum

The following items involve expenditures made by Consultant employees or professional consultants on behalf of the Client and shall be paid for as described in this Agreement

1. Expense of overtime work requiring higher than regular rates, if authorized in advance by the Client.
2. Other special expenses required in connection with the Project.
3. The cost of special consultants or technical services as required. The cost of subconsultant services shall include actual expenditure plus 10% markup for the cost of administration and insurance.

The Client shall pay Consultant monthly for expenses not included in the Lump Sum amount.

Staff Report:

Issue: 2026 Sundial Drive Improvements

BACKGROUND:

As part of the Statute 429 assessment process the City holds a public hearing on the proposed improvements. This hearing is scheduled for 6:30 PM on Tuesday, February 17th. At the hearing the City Engineer will give a brief presentation and answer technical questions from those in attendance at the meeting. Property owners will provide input to the council regarding the need for the improvements.

An open house was held on Thursday, February 5th to offer an opportunity to ask questions and see the assessments. We heard from 4 property owners in person.

Comments Noted:

- WACOSA welcomed the improvement citing the need for pedestrian facilities for the safety of their staff.
- Representatives from 520 Sundial Drive noted they did not believe that their business would receive any benefit from the improvements.
- Bernick's representative was present and discussed the opportunity to work with the City on some private improvements being considered on their site. Significant communication will be required to keep Bernick's operational during construction.
- Store House representative attended and was supportive of the project.

Following the public hearing the city council will have an opportunity to either approve the resolution to move the project forward or to provide other direction to staff. Council has 6 months from the date of the hearing to move the project forward or the hearing will need to be held again.

The preliminary assessment worksheet does not reflect any input from an appraiser. If the council elects to move the project forward, an appraisal report for the project area will be secured to evaluate the benefit received by the properties relative to the cost of the improvements. Any recommendations contained in the report will be reflected in the final assessments that will be presented at a hearing following the project's completion. That hearing will likely be in the fall of 2026 or early in 2027.

Notice of Hearing on Improvement

TO WHOM IT MAY CONCERN:

Notice is hereby given that the city council of Waite Park will meet in the meeting room at the St. Cloud School District office – 1201 2nd St. S., Waite Park, MN 56387 at 6:30 p.m., or shortly thereafter, on February 17, 2026, to consider the making of Improvement No. 2026-01, an improvement on Sundial Drive between 2nd Avenue South and 10th Avenue South. Streets will be improved by conversion from rural section to urban section plus the addition of pedestrian improvements. Pursuant to Minn. Stat. §§ 429.011 to 429.111. The area proposed to be assessed for such improvement is benefiting properties adjacent to the project. The estimated cost of the improvement is \$2,179,746.08. A reasonable estimate of the impact of the assessment will be available at the hearing. Such persons as desire to be heard with reference to the proposed improvement will be heard at this meeting.

A RESOLUTION ORDERING IMPROVEMENT AND PREPARATION OF PLANS

WHEREAS, a resolution of the city council adopted the 2nd day of February 2026, fixed a date for a council hearing on Improvement No. 2026-01, the improvement of Sundial Drive between 2nd Avenue South and 10th Avenue South. Street will be improved by conversion from rural section to urban section plus the addition of pedestrian improvements, and

WHEREAS, ten days' mailed notice and two weeks' published notice of the hearing was given, and the hearing was held thereon on the 17th day of February 2026, at which all persons desiring to be heard were given an opportunity to be heard thereon,

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF WAITE PARK, MINNESOTA:

1. Such improvement is necessary, cost-effective, and feasible as detailed in the feasibility report.
2. Such improvement is hereby ordered as proposed in the council resolution adopted 17th day of February 2026.
3. The city's planning commission will review the proposed capital improvement and report in writing to the Council its findings as to compliance of the proposed improvement with the comprehensive municipal plan.
4. Short Elliott Hendrickson, Inc is hereby designated as the engineer for this improvement. The engineer shall prepare plans and specifications for the making of such improvement.

Issue: 2026 23rd Avenue South and 12th Street South Improvements

BACKGROUND:

As part of the Statute 429 assessment process the City holds a public hearing on the proposed improvements. This hearing is scheduled for 6:30 PM on Tuesday, February 17th. At the hearing the City Engineer will give a brief presentation and answer technical questions from those in attendance at the meeting. Property owners will provide input to the council regarding the need for the improvements.

An open house was held on Thursday, February 5th to offer an opportunity to ask questions and see the assessments. We heard from 4 property owners in person. There was consensus that the street work is very much needed, but there was not an agreement on the need for utilities.

At the open house and a subsequent follow-up meeting, the developer of a large vacant parcel within the project area provided staff with additional information related to the 23rd Avenue utilities. The developer is exploring an alternative utility alignment that could serve both existing parcels and future development. Staff reviewed the concept and determined that additional analysis and concept development are needed. If the alternative is found to be feasible, it will be brought forward to the City Council for consideration.

Other Comments Noted:

- Two businesses provided comments noting that their sewer and water are very minimal and they didn't believe there would be a significant benefit to installation given that low use.
- There is a benefit to getting rid of well and septic, but the benefit doesn't outweigh the cost.
- There is a significant opportunity for development following the installation of sewer and water.

Following the public hearing, the city council will have an opportunity to either approve the resolution to move the project forward, provide other direction to staff, or allow more time for review. The City Council has 6 months from the date of the hearing to move the project forward or the hearing will need to be held again.

Agenda Item

Issue: Consider Community Park Rental Fee Increase

BACKGROUND: Staff is seeking Council approval to increase the Community Park rental fees by \$10 beginning for the 2027 rental season. The proposed increase would adjust the resident rental rate from \$75 to \$85 and the non-resident rental rate from \$160 to \$170.

The Park Board has reviewed the proposed adjustment and is recommending approval of this increase.

This modest increase will help offset rising operational and maintenance costs associated with the facility while continuing to keep rental rates competitive and affordable.

Staff recommends approval of the proposed fee adjustments as presented.

Staff Report

Issue: Preliminary and Final Plat – Zabinski Acres Plat 3

BACKGROUND

This request has been submitted by Bob Zabinski to allow for review of preliminary and final plat of proposed Zabinski Acres Plat 3, a proposed new parcel in the A-1, Agricultural/Rural Residential District, to be located on the northern portion of what is currently the Zabinski property at 2705 County Road 6 and adjacent to the previously-approved Zabinski Acres Plat 2.

The applicant is pursuing potential sale of the property for eventual development for single-family home. Development of the home would not require specific approval provided it adheres to all standard applicable ordinances. No building permit could be issued for the property until the platting of the property occurs.

The preliminary and final plat of Zabinski Acres Plat 3 would separate a parcel of slightly less than 20 acres immediately to the south of the previously-approved Zabinski Acres Plat 2.

The property meets or exceed all criteria for the Ag/Rural Residential district. Letter from Stearns County Highway Department regarding their conditions of approval due to its frontage along a County road have been received and are included as part of recommended conditions of approval.

The standard payment-in-lieu of parkland dedication for a single-family home is \$836 per parcel as established in fee schedule.

Staff is supportive of the preliminary and final plats as-submitted.

The Planning Commission reviewed the request at their November 10th, 2025 meeting. No comments specific to the platting were received. Planning Commissioner Bob Zabinski and Planning Commissioner Tim Jansky abstained from vote and discussion due to their involvement with the request.

REQUIRED ACTION:

The City Council’s action could be any of the following regarding the request.

1. Approval of the preliminary and final plats as proposed.
2. Denial of the preliminary and final plats, with findings of fact.
3. The City Council may, at its discretion and with the approval of the applicant, table the matter pending further information from the applicant that will help it render a decision. An extension of the 60-day request review period as noted by State Statutes may be required.

RECOMMENDED ACTION:

Staff recommends approval of the preliminary plat with the following conditions:

1. Property is subject to requirement for payment-in-lieu of Parkland Dedication, as established by adopted fee schedule, in the amount of \$836.00. Any required parkland dedication fees must be paid prior to affixing of City signatures upon the plat.
2. Property is subject to comments and requirements set forth by Stearns County Highway Department and associated certification of review as documented in their letter dated February 6, 2026.

Provided that condition of the preliminary plat is satisfied, staff recommends adoption of resolution approving the final plat.

FOR ROBERT W. ZABINSKI 2003 REVOCABLE TRUST

WHEREAS, Robert W. Zabinski Revocable Trust (the “Property Owners” and/or “Applicants”) has submitted an application for preliminary and final plat of Zabinski Acres Plat 3, an A-1, Agricultural/Rural Residential subdivision upon property currently legally described as:

The South Half of the Northwest Quarter of the Southwest Quarter (S1/2 NW1/4 SW1/4) of Section 31, Township 124 North, Range 28 West, Stearns County, Minnesota.

WHEREAS, the Property is located within an A-1, Agricultural/Rural Residential District.

WHEREAS, the proposed preliminary plat as submitted by the applicant have been reviewed by City staff and the Planning Commission, and is attached hereto as **Exhibit A**;

and

WHEREAS, the proposed final plat as submitted by the applicant have been reviewed by City staff and the Planning Commission, and is attached hereto as **Exhibit B**;

and

WHEREAS, an existing legal description of the property has been prepared and submitted, and is attached hereto as **Exhibit C**;

and

WHEREAS, the Planning Commission has considered the Applicant’s request at a duly noticed public hearing which took place on February 9th, 2026; and

WHEREAS, the City Council for the City of Waite Park has considered the Planning Commission’s recommendation at its February 17th, 2026 City Council meeting.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Waite Park, Stearns County, Minnesota, that it does hereby APPROVE the request of Robert W. Zabinski 2003 Revocable Trust for approval of preliminary and final plat of Zabinski Acres Plat 3 and that the request satisfies requirements set forth in City Ordinance 58 “Subdivision”, specifically Section 58.3 Subd. 6J relating the findings required for preliminary plat approval. The City Council’s findings relating to the standards are as follows:

1. The proposed preliminary plat conforms to the requirements of this Ordinance and the applicable zoning district regulations.
2. The proposed subdivision is consistent with the City's Comprehensive Plan and any other adopted land use studies and is compatible with the platting or approved preliminary plat on adjoining lands.
3. The proposed plat does not constitute a 'premature subdivision' under section 58.7, Subd. 1(D) of this Ordinance.
4. The physical characteristics of the site, including but not limited to topography, vegetation, wetlands, susceptibility to erosion and siltation, susceptibility to flooding, water storage and retention, are such that the site is suitable for the type of development or use contemplated.
5. The design or improvement of the proposed subdivision complies with applicable plans of the County and the state of Minnesota.
6. The design or improvement of the proposed subdivision is not likely to cause environmental damage or health problems.
7. The completion of the proposed development of the subdivision can be achieved in a timely manner so as not to cause an undue economic burden upon the City for maintenance, repayment of bonds or similar burden.
8. That permits applicable to the site/project as required by local, state and federal law have been applied for and/or have been approved. The Applicant is required to prove compliance with all local, state and federal law. The City and/or its assigns may determine if whether an application for approval is sufficient or if approval a permit application is acceptable

FURTHER BE IT RESOLVED, that the following conditions of approval of the final plat shall be met:

1. Property is subject to requirement for payment-in-lieu of Parkland Dedication in the amount of \$836.00, as established by adopted City fee schedule. Required parkland dedication fee must be paid prior to affixing of City signatures upon the plat.
2. Property is subject to conditions of certifications as provided by Stearns County Highway Department with regards to County Right-of-Way on County Road 137 in letter dated February 6th, 2026.

Staff Report:

Issue: Request for Variance to Decrease Minimum Lot Area in A-1, Agricultural/Rural Residential District from 10 acres to 2 acres – 9182 CR 138

BACKGROUND:

This request has been submitted by Virginia A. Schreifels Revocable Trust, for a variance from City Ordinance Section 52.11, Subd. 6 relating to minimum lot area in the A-1, Agricultural/Rural Residential District to reduce minimum lot area from 10 acres to 2 acres. The property is legally described as 56.67 acres, part of the South Half of Southeast Quarter of Section 22, Stearns County, MN. The property address is 9182 County Road 138.

The request is being made to accommodate creation of a new parcel of approximately 2 acres for purpose of splitting the existing home on the property onto its own parcel to facilitate sale/transfer to a family member of the applicant and facilitate Ms. Schreifels to move to a patio home within Waite Park, which the applicant has advised is a much preferable living arrangement for her. The proposed 2-acre parcel would be similar in nature to other preexisting parcels in the immediate vicinity, which is unlike other situations that have been previously reviewed where 5-acre parcels were considered in areas in which there were no immediately-surrounding smaller parcels. Sizes of several immediately-adjacent residential parcels include 0.64 acres, 0.58 acres, and 1.6 acres.

If the variance is ultimately approved by City Council, in this instance the creation of the new parcel can be executed administratively via staff in coordination with the applicant and their selected surveyor as only a single new parcel would be created and no building permit is needed due to the existing home. Future building permit requests may trigger requirement to plat at such time.

Given that the request is to grant accommodations for an immediate family member, and the hardship being imposed is beyond the scope of control of the applicant (i.e. natural aging processes), staff is supportive of the request. The 2 acre allowance instead of the 10-acre standard requirement is reasonable in staff's opinion, given the nature of surrounding properties in the vicinity along County Road 138 and is in line with previous accommodations for sub-10 acre parcel creation to accommodate family needs in other Ag/Rural Residential zoning district areas.

In staff’s opinion, practical difficulties have been established and justification for the variance exists. Staff does not believe that the variance would impart special privilege to the applicant or property and does not feel that granting of the variance would be detrimental to surrounding properties or diminishes their use or value. Staff is supportive of the request and recommends approval.

The Planning Commission reviewed the request at their February 9th, 2026 meeting. No comments were received from the public except the applicant who provided a brief summary of information for the Planning Commission. The Planning Commission expressed some reservation with the potential establishment of precedent in recommending a 2-acre parcel but recommended approval of the request.

REQUIRED ACTION:

The City Council’s action could be any of the following with regards to the variance:

1. Approval of the variance as requested
2. Approval of the variance to a lesser degree than requested (i.e. greater than 2 acres requested but less than 10 acre ordinance standard).
3. Denial of the variance request, with findings of fact.

STAFF RECOMMENDATION:

Staff recommends approval of the variance as requested and adoption of the attached resolution.

A RESOLUTION APPROVING VARIANCE FROM CITY ORDINANCE SECTION 52.11, SUBD. 6 TO DECREASE MINIMUM REQUIRED LOT AREA FROM 10 ACRES TO 2 ACRES IN THE A-1, AGRICULTURAL/RURAL RESIDENTIAL DISTRICT FOR PROPERTY LOCATED AT 9182 COUNTY ROAD 138, ALL IN CITY OF WAITE PARK, STEARNS COUNTY, MINNESOTA.

REQUESTED BY VIRGINIA A. SCHREIFELS REVOCABLE TRUST

WHEREAS, Virginia A. Schreifels Revocable Trust, the “Property Owner” and/or “Applicant”, have applies for a variance from City Ordinance Section 52.11, Subd. 6 to decrease minimum lot area in the A-1, Agricultural/Rural Residential District from 10 acres to 2 acres for purpose of establishment of a new parcel for existing residence;

and

WHEREAS, the property is legally described as:

Part of the South Half of the Southeast Quarter of Section 22, all in City of Waite Park, Stearns County, Minnesota.

WHEREAS, the request has been reviewed by City of Waite Park staff and a report pertaining to said request has been presented to the City Council;

and

WHEREAS. the proposed parcel is noted within the attached **Exhibit A** as “Proposed New Parcel”;

and

WHEREAS, the Property Legal Description is attached as **Exhibit B**;

and

WHEREAS, the Planning Commission, on the 9th day of February, 2026, following proper notice, held public hearing regarding the request and following said public hearing adopted a recommendation that the variance be approved;

and

WHEREAS, the City Council has found that practical difficulties, unique to the property and not self-caused by the Applicant, have been established which are justification for the variance.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Waite Park, Stearns County, Minnesota, that the variance from City Ordinance Section 52.11, Subd. 6 to decrease minimum lot area in the A-1, Agricultural/Rural Residential District from 10 acres to 2 acres for purpose of splitting property establishment of new parcel for existing residence is approved.

Staff Report:

Issue: Purchase of 22 new laptops for Police Department

BACKGROUND:

The Police Department has been having increasing problems with our current MDT laptops. The majority of them were purchased in 2020 and all but 4 are off warranty. We have been having various problems including the charging plates, battery life, bad USB ports, and a handful of other issues. Stearns County IT requested we look at purchasing new laptops due to the amount of issues we have had. The purchase would replace all the Officer’s laptops. The remaining units (4) under warranty would be used by Records Staff. This purchase would come from the 2026 Budget Capital expenditure line item from the police department budget. This quote is noted on the MN State bid website as Dell contract list 236465. The quoted price is \$3,137.88 per unit with a total purchase price of \$69,031.60

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for Fourteen days from the date of this Quote. All products, pricing, and other information are based on the latest information available and are subject to change for any reason, including but not limited to tariffs imposed by government authorities, shortages in materials or resources, increase in the cost of manufacturing or other factors beyond Supplier's reasonable control. If such changes occur, pricing may be adjusted or purchase orders may be cancelled by Supplier, even after an order has been placed. Supplier also reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors and/or customer changes to Supplier's planned delivery date. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringsspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

CONTRACT USERS. This Contract is available to the following entities as indicated by the checked boxes below:

- State agencies
- Cooperative Purchasing Venture (CPV) members

STATE AGENCY CONTRACT USE. State agencies should make every effort to use the Contract Vendor(s) listed. However, this Contract does not prohibit State agencies from using their delegated local purchasing authority to procure similar products and services from other vendors.

SCOPE. The State of Minnesota’s Department of Administration, Office of State Procurement (OSP) publicly posted a Request for Proposal in cooperation with NASPO VALUEPOINT, resulting in a Master Agreement Award for Computer Equipment (Desktops, Laptops, Tablets, Servers, and Storage, including related Peripherals & Services). Vendors were NOT awarded equipment in all categories. Check the specific vendor page in this contract release to identify category(ies) each vendor has been awarded.

CONTRACT FEEDBACK. If these commodities or service can be better structured to help you with your business needs, let us know. We solicit your comments and suggestions to improve all of our contracts so that they may better serve your business needs. If you have a need for which no contract currently exists, or you would like to be able to use an existing state contract that is not available to your entity, whether a state agency or CPV, please contact us. If you have specific comments or suggestions about an individual contract you can submit those via the [Contract Feedback Form](#).

STATE AGENCY ORDERING INSTRUCTIONS. Orders are to be placed directly with the Contract Vendor. State agencies should use a Contract release order (CRO) or a blanket purchase order (BPC). The person ordering should include his or her name and phone number. Orders may be submitted via fax.

MN STANDARDIZATION OF COMPUTER TECHNOLOGY. Minnesota has established standard specifications for computer equipment providing further discounts on select configurations. These prices are available to all users of the contract. To learn more, click [here](#).

IT ACCESSIBILITY. When agencies are making purchasing decisions, the purchasing entities are responsible for evaluating the accessibility of IT products in accordance with the State of MN IT Accessibility standards that incorporate both Section 508 standards and Web Content Accessibility Guidelines 2.0 level ‘AA’ standards. This contract requires vendors to provide accessibility information, known as VPATs, for the products available through this contract. It is the purchasing agency’s responsibility to request, collect, evaluate, and make a purchasing decision in compliance with these state laws.

SERVICES. All services shall be provided by the Vendors at the prices within each Vendors’ contract.

PROFESSIONAL/TECHNICAL (P/T) SERVICES. Professional Services must be related to the purchase of equipment from this Contract and are limited to \$50,000 per project. For projects exceeding \$5000, agencies must complete a Professional/Technical two-signature work order document, enter a Master Work Order (MWK doc type) in the SWIFT Contract Entry module, process a Work Order Certification Form, and create a SWIFT Purchase Order against the MWK Contract for the complete order: equipment and P/T Services. The T-Number for the Work Order Contract is the

vendor's OSP Contract Number listed in OSP's Contract Release document. Once these steps have been completed, only the completed Professional/Technical two-signature work order document, with both the OSP Contract Number and the Master Work Order Contract Number on it, should be sent to the vendor. Agencies cannot use a Purchase Order to procure these services, unless the total cost of the project is \$5000 or less.

* CPVS MUST FOLLOW THEIR INTERNAL PROCESS FOR PT SERVICES AND ARE LIMITED TO \$50,000.

SERVICE CERTIFICATION FORM REQUIREMENTS.

Pursuant to Minn. Stat. § 16C.09, agencies must complete a "Service Contract Certification Form" prior to issuing an order for services offered from this Contract.

FREIGHT/SHIPPING TERMS. All shipments are FOB Destination, with freight charges prepaid and allowed (the Contract Vendor is **not** allowed to invoice freight charges.)

PRICES. The contract employs a MINIMUM discount-off baseline price list structure with category exceptions. These discounts must remain firm, or the discount may be increased, during the term of the Master Agreement. The discounts are detailed in each contract vendor's discount structure link. A Product & Service Schedule (PSS) identifies a complete listing of all products and services and may be found on the vendor website. Links have been provided in the contract vendor's ordering instructions below.

CONFIGURATION DOLLAR LIMITS. The following configuration dollar limits apply to the Contract. The dollar limits identified below are based on a **SINGLE** computer configuration. This is **NOT** a restriction on the purchase of multiple configurations (e.g. an entity could purchase 10 laptops @ \$10,000 for a total purchase price of \$100,000).

ITEM	CONFIGURATION*
Server	\$1,000,000
Storage	\$1,00,000
Desktops	\$15,000
Laptops	\$15,000
Tablets	\$15,000
Peripherals	\$10,000
Services	\$50,000 per project

* Configuration is defined as the combination of hardware and software components that make up the total functioning system. Software purchases are considered a part of the configuration limit of the equipment.

PERIPHERALS. A peripheral means any hardware product that can be attached to, added within, or networked with personal computers, servers, and storage. Peripherals extend the functionality of a computer without modifying the core components of the system. For the purposes of this Contract, accessories are considered peripherals. Peripherals may be manufactured by a third party; however, Contract Vendor shall not offer any peripherals manufactured by another Contract Vendor holding a Master Agreement. The Contract Vendors shall provide the warranty service and maintenance for all peripherals. Examples of peripherals/accessories/options: Include but are not limited to: printers, monitors, multifunction printers, audiovisual equipment, instructional equipment, cabling, modems, networking to support server, storage and client applications such as routers, switches. Software is an option but must be related to the purchase of equipment and subject to configuration limits.

SOFTWARE RESTRICTIONS.

1. Software is restricted to operating systems and commercial off-the-shelf (COTS) software. Software is also subject to equipment configuration limits.
2. Any software purchased must be related to the procurement of equipment.
3. Software must be pre-loaded or provided as an electronic link with the initial purchase of equipment, barring the exceptions allowed for middleware.
4. Software such as middleware, which is not always installed on the equipment, but is related to storage and server equipment (Band 3), is allowed, and may be procured after the initial purchase of equipment.

GENERAL SERVICES RESTRICTIONS.

1. Services must be related to the procurement of equipment.

Contract Release: C-871(5)

2. Service limits will be addressed by each State.

VERIFYING THE CONTRACT PRICES.

The following information explains the method(s) for calculating and/or confirming the contract prices.

X The Contract(s) pricing structure is a PERCENTAGE DISCOUNT OFF OF LIST PRICE. To calculate the Contract Price, follow the three steps detailed below:

1. Locate the appropriate price list below.
2. Calculate the Contract Price by applying the Percentage Discount Off of the Appropriate List Price to the appropriate Price List.
3. Confirm the price offered is equal to, or lower than, the price calculated in Item 2.

Only accept contract vendor quotes that provide itemized contract pricing (lump sum price quotes must be rejected and reworked by the Contract Vendor to show itemized State contract pricing).

Prior to accepting an order and/or issuing payment on an invoice, inspect the goods and/or deliverables to ensure they match both the terms and pricing of the contract.

Contact the AMS/Buyer detailed herein to report any pricing discrepancies or for assistance in confirming/calculating contract pricing.

Agenda Item

Issue: Fire Chief job description amendments

BACKGROUND:

The city council approved the job description for the Fire Chief full-time position. As part of this approval, the city council approved amending the job description by changing the education requirement from a two-year degree to a four-year degree. With this change, the job description was reviewed again by Baker Tilly and this change moved the position from 460 points to 500 points and from pay grade 10 (\$99,277.25-\$133,276.80) to a pay grade 11 (\$106,474.85-\$142,939.37). These changes were also discussed with MGT, our recently hired search firm, to determine whether they had any concerns with this change as it relates to finding qualified candidates. They support the changes and believe this will not be a factor in limiting our candidate pool.

REQUIRED ACTION: Approve or deny the Fire Chief job description with the proposed amendments.

RECOMMENDED ACTION: N/A

SUGGESTED MOTION:

Councilmember _____ moved to **approve OR deny** the Fire Chief job description with the proposed amendments OR the _____ with the following revisions/corrections/additions: _____

Councilmember _____ seconded the motion.

Fire Chief

FLSA Status: Exempt

Pay Grade ~~10~~ 11

Points: ~~460~~ 500

General Definition of Work

The Fire Chief serves as the executive leader of a paid-per-response municipal fire department, providing strategic direction, operational oversight, and administrative management. This position is responsible for ensuring the effective delivery of fire suppression, emergency response, fire prevention, and public education services within the community. The Fire Chief works closely with regional partners—including neighboring cities, regional fire chiefs, emergency management officials, and mutual-aid organizations—to strengthen service delivery across the greater Central MN area.

This position leads, supports, and develops a team of paid-per-response firefighters, focusing on recruitment, retention, training, and readiness.

Qualification Requirements

To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable an individual with disabilities to perform the essential functions.

Essential Functions

Strategic Leadership and Department Oversight

- Provide overall vision, strategic leadership, and executive oversight for the Fire Department, guiding the organization to meet the fire service needs of today, tomorrow, and the future.
- Establish a long-term vision for fire service delivery that reflects community needs, evolving risks, industry trends, regional opportunities, and fiscal realities.
- Lead the evaluation and development of fire service delivery models that balance public safety outcomes, operational effectiveness, regional collaboration, and budget constraints.
- Advise the City Administrator and City Council on fire service strategies, staffing models, facilities, equipment, and long-range planning considerations.
- Ensure department goals, policies, and initiatives align with the City's strategic priorities and public safety objectives.

Operational Leadership

- Develop, implement, and evaluate fire department policies, procedures, and training programs in alignment with best practices and regulations.
- Participate in emergency response activities as appropriate, including major or complex incidents, to maintain operational awareness, build strong working relationships with department personnel, and support effective leadership of the organization.
- Maintain a comprehensive understanding of department operations, call response activity, and service demands to effectively manage the department and make informed, forward-looking recommendations for operational improvements and future service delivery.

Fire Chief

Personnel Management & Recruitment

- Provides overall leadership and oversight of Fire Department personnel, establishing clear expectations, organizational structure and performance standards.
- Directly supervises command staff and key leadership positions while maintaining indirect supervision of department personnel.
- Promotes a positive, professional, and team-oriented culture focused on safety, accountability, leadership development, and service excellence.
- Support recruitment, retention, and workforce sustainability initiatives for the department in collaboration with department leadership.
- Ensures personnel understand expectations and receive adequate support, guidance, and development.

Regional Collaboration

- Works collaboratively with fire departments and emergency services throughout the Central MN region, including mutual aid associations, training groups, and county agencies.
- Participates in regional planning efforts for emergency operations, shared services, joint training, and resource coordination.
- Represents the City at regional fire chief meetings, emergency management committees, and intergovernmental work groups.
- Monitor emerging fire service trends, technology, and service models to position the city for future challenges and opportunities.

Fire Prevention, Education & Community Outreach

- Develop and oversee fire prevention programs, including school-based education, public safety campaigns, and community events.
- Manage business pre-incident planning to ensure effective emergency response strategies.
- Build relationships with residents, businesses, and community groups to promote fire safety awareness and readiness.
- Ensure that all prevention, education, and outreach initiatives are driven by the primary goal of protecting the safety, security, and resilience of Waite Park residents and businesses.
- Work in coordination with all city departments for life safety and fire code issues including but not limited to Fire Marshall and fire inspection duties.

Administration & Budget Management

- Prepare, present, and manage the annual department budget, including capital planning with a focus on sustainability and long-term financial impacts.
- Maintain accurate reports, records, and documentation in compliance with city, state, and federal requirements.
- Identify and pursue grant funding and alternative revenue opportunities to support department goals, operations, and capital needs.

Knowledge, Skills and Abilities

- Demonstrated experience in fire service leadership, including command experience at fire and other emergency scenes.
- Comprehensive knowledge of modern firefighting tactics, fire prevention, emergency medical response principles, and incident management systems.
- Working knowledge of Minnesota fire and building codes, NFPA standards, and applicable laws and regulations.

Fire Chief

Preferred Qualifications

- Prior experience leading or managing a full-time, paid-on-call, or paid-per-response fire department.
- Experience working with regional mutual aid groups and interagency partnerships.
- Fire Instructor, Fire Officer, Fire Inspector, or Incident Safety Officer certifications.
- Experience in budget administration, capital planning, and department-level management.
- Training in emergency management (NIMS/ICS 100, 200, 300, 400, 700, 800).

Education and Experience

- Must be eighteen (18) years or older.
- ~~Associate~~ Bachelor's degree required in fire science, business, administration, or related field.
- Five years of supervisory experience required.
- Knowledge of OSHA Safety Regulations and training requirements.

Physical Requirements

This work requires the frequent exertion of up to 40 pounds of force and occasional exertion of up to 100 pounds of force; work regularly requires sitting, speaking or hearing and using hands to finger, handle or feel, frequently requires standing, walking, reaching with hands and arms, lifting and repetitive motions and occasionally requires climbing or balancing, stooping, kneeling, crouching or crawling, tasting or smelling and pushing or pulling; work requires close vision, distance vision, ability to adjust focus, depth perception, color perception, night vision and peripheral vision; vocal communication is required for expressing or exchanging ideas by means of the spoken word and conveying detailed or important instructions to others accurately, loudly or quickly; hearing is required to perceive information at normal spoken word levels and to receive detailed information through oral communications and/or to make fine distinctions in sound; work requires preparing and analyzing written or computer data, visual inspection involving small defects and/or small parts, using of measuring devices, assembly or fabrication of parts within arm's length, operating machines, operating motor vehicles or equipment and observing general surroundings and activities; work frequently requires exposure to outdoor weather conditions and occasionally requires exposure to fumes or airborne particles, exposure to toxic or caustic chemicals, exposure to the risk of electrical shock, working with explosives, exposure to vibration and exposure to bloodborne pathogens and may be required to wear specialized personal protective equipment; work is generally in a moderately noisy location (e.g. business office, light traffic).

Special Requirements

- Availability to promptly respond with an approximate 30-minutes response to major emergency situations involving the fire department and subject to call out 24 hours a day, 7 days a week.
- Valid Firefighter I & II certifications (or equivalent), with ability to obtain Minnesota certifications as required.
- State First Responder or EMT certification (or ability to obtain within designated timeframe).
- Valid Minnesota driver's license.
