# Clean Water Tips

# Outdoor Tips

KEEP LIDS CLOSED ON YOUR  
OUTDOOR TRASH BINS

CLEAN WATER STARTS WITH YOU

WASH YOUR CAR ON THE LAWN OR CAR WASH  
INSTEAD OF THE DRIVEWAY

CLEAN DRIVEWAYS AND SIDEWALKS  
WITH A BROOM

(but do NOT sweep into the street or gutter. Dispose of the debris).

# Plant Tips

GROW PLANTS NATIVE TO YOUR AREA

Use deep-rooted native plants in your yard or around wetlands to help improve water quality and wildlife habitat.

KEEP LEAVES OUT OF  
STREETS AND PONDS

KEEP GRASS  
CLIPPINGS  
OFF THE  
STREET

Grass clippings can pose a problem for our lakes and rivers when washed down storm sewers. They cause algae growth that ruins the water for fish, wildlife, and recreation.

# Household Tips

CHECK FOR AND FIX  
WATER LEAKS IN YOUR HOME

CLEAN WATER STARTS WITH YOU

DRINK TAP WATER  
INSTEAD OF BOTTLED

ONLY RUN FULL LOADS  
OF LAUNDRY
